

Eden Trattoria has always valued this community and its residents. With that as our most important priority, we are working our hardest to navigate the challenges we have been presented with in the face of the global Covid-19 pandemic.

We do realize the impact this will have on local residents and families, so we will be offering delivery and takeout of our regular dinner menu. We will also be offering select bottles of wine and bottled beer for pickup and delivery with the purchase of food. Our selection can be seen on our website ordering service.

Our hours of operation will be Monday to Sunday from 4:00 PM to 11:00 PM

Pickup and delivery orders can be placed either by phone or on our newly updated online ordering platform at Edentrattoria.com. Unfortunately CURRENT ONLINE CUSTOMERS WILL HAVE TO REREGISTER.

We have also added an online payment option to reduce unnecessary contact and limit exposure to our customers and delivery drivers. This will also give customers a "Leave at Door" option at check out.

In keeping with physical distancing recommendations we ask that pickup orders be placed in advance as opposed to placing orders on-site and waiting on premises.

We have also expanded our delivery zone; you can view the new expanded zone on our website.

If you reside outside of our delivery zone, we have partnered with Uber Eats and Skip the Dishes to provide food service to those outside of our immediate area. (Additional charges may apply)

With this in mind, we are staying up to date with the current advice of public health officials and medical experts and have implemented strict cleaning procedures for all surfaces including and not limited to all high contact areas, counters, phones, credit card machines, doors and handles, all food contact surfaces delivery bags etc....

Our remaining staff including our delivery drivers are provided with ample amounts of gloves, masks, disinfectants and have been trained on proper hand washing and hygiene procedures.

We are doing everything within our power to provide the same quality food and service that we pride ourselves on over the years.

Our thoughts go out to those who have been dramatically affected by this situation, both here and abroad.

Take care of yourselves and your loved ones. These are uncertain times, but we are looking forward to welcoming back the community when better days arrive.

If you find yourself with any questions, please contact us at info@edentrattoria.com
